Choose **one** topic you are very comfortable with. Name three ways you've developed your comfort with the material.

*Common ways: attending class, participating in class, surface reading, careful reading, practice problems, homework problems, discussions with peers, discussions with professors.*

List up to 3 topics **from the whole class** you have the least confidence with.

Choose **one** topic you are less comfortable with and identify three actions you can take this week to gain greater comfort with the topic.

*Common ways: participating in class, careful reading, practice problems, homework problems, discussions with peers, discussions with professors.*

Based on your current understanding of the course topics and what you have done to practice them, what would you assign for a **letter grade** at this point in the term, and why?
